

**LIST OF COOKIES USED BY RESIVO**

Version: July 2024

A cookie is a small piece of data (text file) that your browser stores on your device at the instruction of a website you visit in order to “remember” information about you, such as your language settings or login information. These cookies are set by us and are known as first-party cookies. We use these cookies to support our advertising and marketing efforts. In particular, we use cookies and other tracker technologies for the following purposes:

**Strictly necessary cookies**

These cookies are necessary for the resivo admin portal to function and cannot be deactivated. Generally, these cookies are only set in response to actions you take that correspond to a service request in the resivo admin portal. You can set your browser to block these cookies or to notify you about these cookies. However, some areas of the resivo admin portal will then not work. These cookies do not store any personal data.
